

myBlueprint
Getting Started Guide!

Orientation sand box time. Use the “Getting Started for Teachers” guide sheet. Then check off the following...

Teacher view

- I can create a teacher account.
- I can add a profile picture.
- I can switch between teacher view and student view.
- I can create a class.
- I can find statistics and reports: e.g course submission Status.
- I can look at different student accounts.
- I can find the educator resources.

Student view

- I can find the dashboard page
- I have investigated the pages on the left navigation bar
- I have investigated the pages on the top task bar.
- I can upload a file to the dashboard page
- I can create a folder on the dashboard page.
